

Recommended Supplies to Bring:

- Empty blank page multi-media journal, any size you choose.
- Travel watercolors: “Inktense” makes a nice travel box with vibrant colors, or you can make your own.
- Selection of brushes to fit size of your journal, include smaller rounds and a flat.
- Watercolor pencils: “Inktense” again are nice as colors are vibrant but any will do.
- Any regular pencils you might like.
- Glue stick: any will do but Uhu glue sticks are nice (probably have to order if you want it).
- Any smaller stencils, pieces of screen, or rubbing plates you like to add texture (I will bring a small assortment you can use as well).
- Any shape stencils or shape punches you prefer (I will bring a small assortment you can use) Small bits of collage papers you are drawn to (I will also bring selection to share).
- Small scissors or cutting tool if you wish, but not essential.
